[Download here](#)

## Installation

Extract all files to your custom ui folder (ie "C:\Program Files\EverQuest\uifiles\mortis")

To use optional Caster or Melee version, copy that file from the Options folder into the main ui folder. (ie "C:\Program

Files\EverQuest\uifiles\mortis\Options\Caster\EQUI\_PetInfoWindow.xml" to "C:\Program Files\EverQuest\uifiles\mortis\EQUI\_PetInfoWindow.xml")

## History

23 Aug 2004
